Detailed Itinerary: Your Ultimate Private Fishing Expedition

Phase 1: Hotel Pickup & Marina Departure (8:00 AM)

Your journey begins with a private pickup from your resort in Hurghada, El Gouna, or Sahl Hasheesh in a modern air-conditioned vehicle. Arrive at the marina, where your captain and crew welcome you aboard your private motor yacht. After a short safety orientation and gear introduction, settle into the shaded lounge or sun deck as the yacht sets sail into the open Red Sea.

Phase 2: Deep Sea Game Fishing Session

As the yacht reaches offshore fishing grounds near deep drop-offs, the crew sets up the trolling and bottom-fishing equipment. Learn how to rig bait, drop lines, and work heavy reels during your **Private Yacht Fishing Hurghada**.
Target impressive pelagic species including Dorado (Mahi-Mahi), Yellowfin Tuna, Kingfish, and Barracuda. The crew is always on hand to assist beginners or help experienced anglers land their prize catch.

Phase 3: Guided Reef Snorkeling & Onboard Lunch

After an exciting morning of fishing, your captain navigates toward a protected coral reef. Gear up with masks, snorkels, and fins to swim among colorful angelfish, parrotfish, and vibrant soft corals.
Climb back on deck to enjoy a freshly prepared hot lunch served open-buffet style, complete with unlimited soft drinks, mineral water, coffee, and tea.

Phase 4: Afternoon Exploration & Scenic Sunset Cruise (Return 5:00 PM)

Spend your afternoon enjoying a second fishing session or anchoring at a different coral garden for more snorkeling and swimming. Relax on the comfortable sun deck, snap photos of the coastline, and soak in the sea breeze.
Protecting these delicate marine habitats is essential, aligning with conservation goals supported by organizations like HEPCA marine conservation and coral reef protection.
