Complete Itinerary for Your Bang Bang 6-in-1 Island Cruise Hurghada

Phase 1: Hotel Transfer & Marina Departure

Your full-day maritime adventure begins between 7:50 AM and 8:15 AM with a prompt hotel pickup in a comfortable, climate-controlled vehicle. Upon arrival at the marina, step onto our modern, multi-deck yacht where the professional captain and friendly crew welcome you.
As the boat leaves the harbor and cuts through the sapphire-blue Red Sea, take a seat on the sun deck to enjoy the fresh sea air. Your guide will provide a brief safety overview and outline the exciting 6-in-1 highlights planned for the day. Local environmental initiatives, such as those championed by groups focusing on HEPCA marine ecosystem protection, help maintain the pristine water quality you will experience throughout your trip.

Phase 2: Double Island Escape at Orange Bay & Hula Hula

Our first stop brings us to **Orange Bay Island**, often called the "Egyptian Maldives" due to its shallow, crystal-clear turquoise lagoons. Take a leisurely walk along the wooden piers, relax on comfortable beach beanbags, or snap breathtaking photographs against the iconic island backdrop.
Next, we sail toward **Hula Hula Island**, another serene tropical island destination. Here, you can soak up the sun, wade through warm, clear waters, or simply unwind under shade canopies, enjoying the distinct atmosphere of two separate Red Sea islands in one trip.

Phase 3: Dolphin House Spotting & Coral Reef Snorkeling

Leaving the islands behind, the cruise heads toward the protected waters of **Dolphin House reef**. Keep your camera ready as wild spinner and bottlenose dolphins frequently surface, leap, and swim alongside the boat in their native habitat.
Following the dolphin search, the yacht anchors near vibrant coral gardens. Put on your complimentary mask, snorkel, and fins to explore an underwater world thriving with colorful parrotfish, clownfish, and intricate coral structures under the care of certified snorkeling guides.

Phase 4: Onboard Buffet Lunch & Sunset Return Cruise

After your swimming session, return to the deck for a freshly prepared **Open-Buffet Lunch** served in the shaded dining saloon.
Your buffet meal includes:
1. **Fresh Fish & Seasoned Chicken:** Grilled to savory perfection.
2. **Pasta, Spiced Rice & Potatoes:** Hearty dishes to satisfy your post-snorkeling appetite.
3. **Fresh Salads & Local Dips:** Creamy tahini, mixed greens, and fresh bakery bread.
4. **Unlimited Drinks:** Soft drinks, mineral water, tea, and coffee available all day.

As the afternoon winds down, relax on the sun deck loungers during a magnificent sunset sail back to the marina, reaching port by 5:00 PM. Your transfer vehicle will be waiting to transport you directly back to your hotel doorstep.
