Complete Itinerary for Your Bang Bang Combo Cruise Hurghada

Phase 1: Morning Departure & Coastal Sailing

Your ocean getaway starts bright and early between 8:10 AM and 8:30 AM with a comfortable pickup directly from your resort in an air-conditioned vehicle. Arriving at the marina, meet your friendly crew and certified dive master before stepping aboard our sleek, modern yacht.
Cast off from the harbor into the deep blue waters of the Red Sea. As you settle onto the sun deck, your guide provides a safety briefing and outlines the exciting itinerary ahead. Protecting these pristine marine environments remains a top priority, supported actively by local non-governmental initiatives like HEPCA marine conservation guidelines.

Phase 2: Double Island Hopping at Orange Bay & Hula Hula

Our first stop brings you to **Orange Bay Island**, renowned for its wooden umbrellas, beanbag loungers, and shallow turquoise shorelines. Spend quality time strolling along the soft white sand, snapping stunning tropical photos, or wading through the warm, crystal-clear water.
Next, the cruise sails to **Hula Hula Island**, a hidden tropical haven offering a relaxed ambiance and breathtaking coastal views. Whether you want to sunbathe on the shore or relax under wooden canopy shades, this double-island experience offers pure seaside bliss.

Phase 3: Introductory Scuba Diving & Dolphin House Snorkeling

After your island visits, the yacht anchors near the famous **Dolphin House reef**. Keep your eyes on the surface as pods of wild dolphins frequently leap and glide alongside the vessel in their natural habitat.
Gear up for the highlight of your excursion: **Introductory Scuba Diving**! Even if you have never dived before, your dedicated instructor will guide you step-by-step, ensuring you feel completely safe and confident. Descend below the surface to breathe underwater and marvel at brilliant coral gardens, marine life, and colorful exotic fish. Guests who prefer staying on the surface can dive right in with guided snorkeling gear to explore the shallow reef top.

Phase 4: Onboard Buffet Lunch & Sunset Return

After your marine activities, recharge with a freshly prepared **Open-Buffet Lunch** served right onboard the yacht deck. Your buffet menu includes:
1. **Fresh Fish & Grilled Chicken:** Cooked to perfection with Egyptian herbs.
2. **Pasta, Spiced Rice & Potatoes:** Warm, hearty sides to restore your energy.
3. **Fresh Salads & Local Mezze:** Tahini, green salad, and fresh bakery items.
4. **Unlimited Drinks:** Chilled soft drinks, mineral water, tea, and coffee throughout the cruise.
