

# Paradise Island Hurghada: Unforgettable Snorkeling & Sunbathing Day Trip 2026

📍 Al Shohda Street, Al Mina', Marina Hurghada, Hurghada, Red Sea, 84532, Egypt

**Paradise Island Hurghada** is the quintessential Red Sea escape, offering a pristine slice of tropical heaven just a cruise away from the mainland. This unforgettable day trip, operated by Egypt Blue Marine Tours, transports you to the soft white sands and turquoise lagoons of Orange Bay (often called Paradise Island), where a day of snorkeling, sunbathing, and pure relaxation awaits. Your journey to **Paradise Island Hurghada** begins with a choice: glide in relaxed luxury aboard a spacious, multi-deck yacht or feel the thrill of the sea breeze on an exciting speedboat ride. Catering perfectly to families, couples, and groups of friends, this excursion masterfully blends adventure with serenity, ensuring every guest finds their own version of paradise.

## Why a Trip to Paradise Island Hurghada is a Must-Do Experience

A journey to **Paradise Island Hurghada** is more than just a beach day; it's a curated experience in one of the Red Sea's most idyllic settings. Unlike the mainland beaches, the island offers secluded, powdery sand and exceptionally clear, calm waters that are perfect for swimmers of all levels. The coral reefs fringing the island are accessible directly from the shore, providing some of the most convenient and rewarding snorkeling near Hurghada. Choosing **Egypt Blue Marine** Tours ensures a seamless, high-quality adventure. We handle every logistical detail—from hotel transfers to equipment and onboard hospitality—allowing you to fully disconnect and immerse yourself in the island's tranquil beauty.

## Your Day in Paradise: A Detailed Itinerary

Your day of bliss begins with a convenient, air-conditioned transfer from your hotel in Hurghada, Makadi Bay, or Sahl Hasheesh to the marina. Here, you'll board your chosen vessel and meet your friendly, professional crew.

### The Scenic Cruise: Yacht Luxury or Speedboat Thrills

The adventure starts the moment you set sail. If you choose the **luxury yacht option**, you'll enjoy a smooth, leisurely cruise aboard a spacious three-deck vessel. Relax in the elegant air-conditioned salon, on the sun-drenched upper deck, or in shaded lounge areas. The yacht features cozy kids' cabins and spacious bathrooms, offering unparalleled comfort for families. Alternatively, opt for the **speedboat ride** for a faster, more exhilarating journey across the waves, getting you to the island's shores in no time. Both routes offer stunning panoramic views of the Red Sea coastline.

### Snorkeling in a Vibrant Underwater World

Upon arriving at **Paradise Island Hurghada**, the underwater adventure begins. The island is fringed by vibrant coral reefs teeming with marine life. High-quality snorkeling equipment (mask, snorkel, fins) is provided. Glide over gardens of coral and swim alongside colorful schools of parrotfish, angelfish, butterflyfish, and maybe even a friendly sea turtle. For non-swimmers or those seeking extra confidence, a private guide and life jackets are provided, ensuring everyone can safely enjoy the magnificent **Red Sea ecosystem**, which [UNESCO](#) notes is one of the world's most biodiverse marine area.

### Sunbathing, Relaxation & Family Fun on the Island

After snorkeling, claim your perfect spot on the island's famous white-sand beach. Soak up the Egyptian sun, take a refreshing dip in the shallow, warm lagoon, or simply unwind with a book under a provided umbrella. Families are especially catered for, with special gifts for children and the invaluable service of a dedicated swimming instructor on the yacht to help little ones gain confidence in the water. Enjoy a delicious buffet lunch served on board your vessel, featuring a mix of international and local cuisine.

## Paradise Island Hurghada Trip: Key Features & Benefits

- **Choice of Vessel:** Select between a comfortable, family-friendly luxury yacht or a fast and thrilling speedboat transfer.
- **World-Class Snorkeling:** Easy-access reefs from the shore with all equipment and safety support provided.
